

Mandates Policy

BOT Approved: 7/18/2017
(Updated to new policy format 8/8/18)

PURPOSE:

Mandatory policies and procedures are exempt from governance procedures but shall be communicated to stakeholders to official action by the College. Mandatory = any policy or procedure that is required by law, regulatory agency, or accrediting body.

POLICY STATEMENT:

Garrett College is required to implement certain policies or procedures as required by law, by a regulatory agency, or by an accrediting body. The College Official(s) charged with creating mandatory policy or procedure shall be responsible for ensuring it complies with law and can be implemented given existing institutional policy, procedures, and operations. The President will review any such policies or procedures prior to sending forward to the Board of Trustees for final review and approval and before public posting/distribution.
